Portergeist Art — Website Review

Portergeist Art — Website Review Questionnaire

Hey Chance! We built you a portfolio site. Before we go live, we want to make sure it's **yours** — your vibe, your brand, your way. Go through the site and let us know what you think.

🎨 Overall Vibe

1. Does the site feel like **you**? Does it match the Portergeist brand?
2. Is it too dark / too red / not enough color? What would you change about the mood?
3. Anything that feels off or doesn't represent your work accurately?

📸 Portfolio (Finished Work)

1. Are these your best pieces, or would you swap any out? Which ones should be featured?
2. Are the captions/titles accurate? (We pulled from your IG — let us know if any are wrong)
3. Are the filter categories right? We have **Traditional**, **Neo-Traditional**, and **Pop Culture** — would you add or rename any?
4. Any pieces you do NOT want on the site?

⚡ Flash Designs

1. Are the Zappers board images current? Any designs already claimed that should be marked?
2. Do you want pricing shown on flash pieces or keep it as "DM to book"?
3. Any flash sheets we're missing that you want added?

👤 About Section

1. Here's what we have for your bio — edit however you want: > *"Trad and Neo-Trad tattoo artist at Red Raven Tattoo in Utica, NY. Bold lines, bright color, and a soft spot for pop culture. From classic American traditional to anime and cartoon pieces — if you've got an idea, let's make it permanent."*
2. Anything else you want people to know? (How long you've been tattooing, specialties, what got you into it, etc.)
